## + Register at School or Home

Students have a choice about where to register to vote. Students attending college may register at their campus address (UNCP Students must use the correct 911 address for their residence hall found below) or choose to remain registered or register at their permanent or home address. You may only be registered and vote in one location.

## + What Type of ID Do I Need to Register?

North Carolina's voter registration form asks for your North Carolina driver's license or ID number, or the last four digits of your Social Security Number. Be sure to provide one of these numbers if you have it.

## + Common Questions/Concerns

### Registering to Vote Does Not Affect Your:

**Federal Financial Aid:** Where you register to vote will not affect federal financial aid such as Pell Grants, Perkins or Stafford loans, or your dependency status for FAFSA.

**Status as a Dependent on Your Parents' Taxes:** Being registered to vote at a different address from your parents does not prevent them from claiming you as a dependent on their taxes.

**Tuition Status:** Being deemed out-of-state for tuition purposes does not prevent you from choosing to register to vote in your campus community.

**Driver's license or car registration?** Registering to vote does not affect driver's license or car registration, but individuals are required to obtain a North Carolina driver's license within 60 days of establishing residency in the state. For more information, students may wish to contact the North Carolina Department of Motor Vehicles.
